BCA OF SASKATCHEWAN NOTICE
RE: INSULATOR LOCAL 119 / CLR NEGOTIATIONS

Dear BCA Member Contractor:

On Wednesday February 4th, 2015, **the International Association of Heat and Frost Insulators and Asbestos Workers, Local 119, of Regina, Saskatchewan**, filed **Notice to Strike**. Under Saskatchewan Legislation, following 48 hours of serving **Notice to Strike**, the Union is in a Strike position.

To date, no job action has taken place, and there is no indication of what type of action or when or where we may see some form of Strike Activity.

Recognizing that job action by **Insulators Union Local 119**, may have an impact on your business, this message is to give you notice and to provide you with the opportunity to plan for contingencies, should there be Job Action.

The CLR of Saskatchewan remains open to any communication from **Insulators Union Local 119** to continue bargaining, however, as of today no new dates have been set.
