NOTICE - ONTARIO

**VACANCY FOR MANAGEMENT REPRESENTATIVE ON THE
INFRASTRUCTURE HEALTH & SAFETY ASSOCIATION'S (IHSA'S)
BOILERMAKER TRADE LABOUR-MANAGEMENT
HEALTH & SAFETY COMMITTEE**

BCA of Ontario Contractor:

Infrastructure Health & Safety Association (IHSA) has a network of labour-management health & safety committees which operate at the provincial, regional and trade/sector level in Ontario. These networks are voluntary and provide a great opportunity to discuss, provide input and be a part of the process to resolve health and safety related issues.

Currently there is a vacancy for one management representative on the Boilermakers Trade Labour-Management Health & Safety Committee. The committee meets on a quarterly basis at the IHSA Voyager Training Centre, conveniently located at 21 Voyager Court South, Etobicoke.

Please forward contact information for anyone interested in participating on the committee to Leslie Mullaly (lmullaly@bcacanada.ca).

Should you have any questions, please do not hesitate to contact the BCA office at 905-684-2244.
