**EFFECTIVE IMMEDIATELY**  
**BOILERMAKER CONTRACTORS OF ALBERTA**  
**EMPLOYEE ASSISTANCE PROGRAM**

Effective May 1, 2015 individuals dispatched under the BCA of Alberta / IBB Lodge 146 Collective Agreement will be eligible for participation in the Boilermaker Contractors of Alberta Employee Assistance Program (BCABEAP) and will no longer participate in the Construction Employee Family Assistance Program as administered by the CLR of Alberta. This change is administrative in nature and there will be **no changes to the eligibility rules or program offerings**.

Boilermaker Contractors in Alberta will continue to remit the \$0.04/hour worked contribution with their monthly contribution remittance to the Boilermaker National Benefit Funds (Canada) as was done for CEFAP.

The BCA website ([www.bcacanada.ca](http://www.bcacanada.ca)) will be updated to include a BCABEAP section under "Resources" containing information on eligibility, program services and an online BCABEAP Alcohol & Drugs Policy Violation Referral Form.

If you have any questions please contact the BCA Main Office at 905-684-2244 or the BCA Western Canada Office at 780-450-8885.

**PLEASE ENSURE YOUR PAYROLL STAFF IS NOTIFIED**
