**NEWFOUNDLAND AND LABRADOR  
MAINTENANCE WORK**

Dear BCA Member Contractor:

Please be advised that IBB Local 203 is not signatory to the Newfoundland and Labrador National Maintenance Agreement (NMA).

Should a BCA member contractor be bidding work under the Newfoundland and Labrador NMA with trades signatory to the NMA, and the scope requires Boilermakers, please complete the BCA/IBB Enabling Request Form for IBB Local 203's consideration. This Enabling Request Form is to be sent to IBB Local 203 and/or the BCA.

The Enabling Request Form and Procedure will be posted to the BCA website in the upcoming week, via the following link: <http://www.bcacanada.ca/bca-boilermakers-enabling-request> .

Should you require a copy of the Enabling Request Form and Procedure prior to being posted to the website, please do not hesitate to contact the BCA office.

Please do not hesitate to contact Marty Albright should you have questions.
